### The Shape of Things to Come

The quality and type of the offering at the first Ohio National was uneven and left considerable room for improvement. This improvement was realized at the second Ohio National Sale.

The offering this year for the third sale appears to be even better with almost the entire offering being comprised of young, fresh cattle of modern type. There are many show winners selling, including the 1969 International Reserve Champion Female. The 1969 calves being sold could be show winners at the 1970 shows.

Armed with these facts, this sale will soon become a criterion event for both buyer and seller. The seller is meeting the challenge of offering better cattle, undoubtedly the program offered by the Ohio Department of Agriculture being catalyst to this cause. However; as is always the case, the prices paid for these cattle lag behind the quality and will continue to do so until the potential buyers become aware that this situation exists.

This seems to be the shape of things to come. As a potential buyer, why not take advantage of this favorable price-quality differential?

Sincerely,

*Joe Gossard*

Perhaps a little too young to sell, but she is a nice red heifer from a son of the great Louada Royal Leader. The cow family is as strong as any in the breed. The greatgranddam has produced such bulls as Allwood Regal King and Allwood Rustic King. The greatgreat granddam Blood Royal 33 at Louada was perhaps the best cow in the history of the breed.

1969 International Reserve Grand Champion Female. This outstanding heifer has a beautiful head, is exceptionally correct, and should make a grand cow. Sired by Melbourne Reputation, a bull with a growing reputation for siring winning calves at shows throughout Illinois. Reputation is by the imported Basildon Premium, used to great success in the Melbourne herd. The dam of Reputation, Melbourne Rosebud, was the first AAA cow in the United States. Violet's Pearl 2d, mother of this heifer, is one of the top cows and a real producing cow in the Dungarvan herd. She comes from the grand old AA Shields herd, one of the best known herds in Illinois 15 to 20 years ago. Being the 1969 International Reserve Grand Champion Females speaks well enough of this heifer. She will improve any herd she goes into. She could well be the best horned female to sell this year!

By the International Grand Champion Acadia Napoleon 200th and out of the famous cow that was Reserve Grand Champion at the American Royal, this heifer has been a show winner in her own right. She stood third in the strong summer yearling class that produced the Grand Champion Female at the 1969 International, and was a member of the 2nd Prize Pair of Females. The Rosewood Rachel family has made history every year since the foundation Tolquhon Rosewood Rachel cow was imported. Bulls from this line have gone out to head strong herds in Colorado, Nebraska Ohio, Ontario and Saskatchewan. Sells with breeding privilege. The Acadia herd is TB-free accredited and Brucellosis-free certified.

This heifer has been my choice of our show heifers this year. She has been near the top all year, being Reserve Champion Gold Medal heifer at the 1969 Indiana State Fair and fourth prize summer yearling heifer at the International in the biggest and strongest class. This heifer will be bred and the date announced at the sale. A real sale attraction.

1969 Illinois State Fair Reserve Junior Champion Female. This summer yearling heifer is probably one of the largest females for age to sell this year. She is a very correct modern heifer with a lot of scale and could show even better as a senior yearling as she just keeps coming into her top form. She is a half-sister to the International Reserve Grand Champion female, being sired also by Melbourne Reputation and comes from the good Rosewood cow family. She is a very good heifer in her own right and one we have been exceptionally proud of. These are the kind of females we at Dungarvan intend to produce as the trend proceeds to bigger, trimmer cattle for the future. It is hard to part with a heifer of this caliber, but she will go out on her own into another herd and help sell the Dungarvan females!

A very good young daughter of Scotsdale Vulcan. Vulcan daughters out of Scotsdale Tobago cows are very good females. She was served October 6, 1969, to Rothney Constrictor, Grand Champion at the Ohio State Shorthorn Futurity and Grand Champion at the Eastern National Livestock Show at Timonium, Maryland.

Bull calf champion, 1969 Ohio National, consigned by R. Lee Johnson. He is out of a daughter of Scotsdale Tobago, as are lots 24 and 25.

This heifer we had no intention of selling. She goes back to the Old Clunie Clara family imported by David Graham. This heifer has made a very good showing for us. She was Grand Champion female at the first two shows we attended this summer. Bred to Rothney Constrictor on October 8, 1969. Her calf could certainly be valuable to the new owner.

Our Spring Yearling show heifer that stood 4th at the Ohio State Fair and 8th at the International in the largest class of each show. This heifer is big, roomy, and from a great old Maxwalton Rosewood tribe that are famous as milkers and good mothers. To further increase her worth as a brood cow, she has been examined to be safe in calf to TPS CORONET LEADER 21st since September 19, 1969. He is the bull who's progeny won such awards as champion female at the National Show, Res. Champion Bull at American Royal, and both the Reserve Champion bulls at the International (horned & polled). A terrific buyers opportunity . . . Dehorned. Vaccinated.

A good headed bull with plenty of bone and that extra length of body that is needed today. In addition to length, he is thick and has a very good rear quarter. He has a deep red color, like his sire. He will bear close inspection and will please the discriminating buyer.

Our blue ribbon junior yearling. He has demonstrated what a Scotsdale Tobago son can do. He was first at two Ohio State shows and first at the Ohio State Fair and Reserve Senior Champion at the Ohio State Fair. We want to sell a 2/3 interest and possession in this bull.
